Exec. Range Officer: Craig Canella - 828-312-0138  
Range Officer: Curtis England - 828-228-1991

August 5, 2020

I hope everyone is doing well. I just wanted to give everyone an update on things going on around the club.

First, **there will be no club meeting on Thursday August 6.** Not sure when we will be able to meet again but I would not think it will be until after the 5 week extension to Phase 2 that Gov. Cooper announced today.

The Drive Thru event on June 20 went well and at this time all members should have a new key. If you do not have one contact me or Bob Metts.

Votes were cast for new officers during the Drive Thru and below is a list of new officers and contact phone numbers:

- President - Michael Hollar - 828-781-4254
- Vice President - Tim Drum - 828-310-1796
- Treasurer - Bob Metts - 828-638-2453
- Secretary - Brian White - 828-238-7371
- Executive Range Officer - Craig Canella - 828-312-0138
- Range Officer - Curtis England - 828-228-1991

Call if you need to speak with someone but keep in mind that we may not be able to take your call so please leave a message or send a text.

Club officers have been meeting to continue operations of the club. Additional gravel has been put down on the roads and the tractors and mower have been serviced. Grass has been getting mowed by club members, thank you for keeping up with it. Several low hanging trees/limbs have been cut away from the roads but there are several trees that have fallen recently that need to be attended to (parking area at Pistol range and on 100 yd berm).

The door to the block building at the 100 yd rifle range has been found open on several occasions. It seems to not latch if closed hard enough to slam open again so be sure to pull it shut to make sure it is closed and locked. Please remember to sign in and out at the gate. The club has been really busy lately despite all of the heat and rain but remember to keep the ranges and shooting areas clean and report any damage that you see or issues that come up.

Brian White  
Secretary CVRPC
