Craig Canella - 828-312-0138
Curtis England - 828-228-1991

September 18, 2020

I just wanted to let everyone know what is going with the status of the club:

No club meeting in October - It has been decided to not have a meeting in October. Keeping with Gov. Cooper's Phase 2.5 guidelines that may expire Friday 10/2 or get expanded, we can only have up to 25 people at an indoor event. So, to keep from having to count people showing up to a meeting and possibly turning people away, it was decided to postpone until November. Maybe by then guidelines will be relaxed enough to have a regular meeting. An outside meeting where we could have up to 50 people was considered but just seemed logistically impractical.

Prospective new members - We need to have a regular club meeting to vote in prospective new members. All current members of CVRPC need to at least have the opportunity to hear the testimonies of the applicants and their sponsors and for the reasons mentioned above we are not able to do that. I have already contacted Teddy Sweet and Terry Corpening to tell them we are not having a meeting in October. If anyone is in contact with Alan Aperson, Mark Anderson and Alan Probst, have them call me (828-238-7371). I am trying to get all of these prospective members' applications and credentials ready for when we can have a regular meeting, they will be ready to petition to join.

Tax Status - according to our attorney, we have been recognized by the IRS as tax exempt status but due to the IRS being behind in their paperwork, we have not yet received our official letter from them.

Bridge - the bridge at the 100yd firing range that was washed away has been rebuilt. Handrails are to be added. The creek bank has also been repaired. Thank you Brian Miller and team and all others for the expert work that was done.

Knox Box- the Knox Box that was purchased some time ago for emergency purposes has been installed by the front gate.

Grass Mowing- thank you to all that have been mowing and working around the club grounds. It is great to have such dedicated members working so diligently and on their own initiative to keep the club in working order during these times when we seem to be so separated.

I hope to see you at the range!

Brian White
Secretary CVRPC
