March 1, 2021

I hope everybody is doing well. Here is a brief update of what is going on at CVRPC:

Work on the Fences – fence repair is ongoing. All fallen trees have been cut off of the fence and repairs started on damaged sections along back property line behind rifle ranges. Another work party date will be Sunday March 7 at 9:00. All Ranges will be closed until 1 or all work party members are accounted for.

Matches/Range Events- all scheduled TSC matches for 2021 have been canceled.

- NC Concealed Carry Class Sunday April 11. Contact Keith Harper at 828-234-3979, or e-mail at atriggeredresponse@yahoo.com or put **ATR.training** in your Internet browser and you can go to the web site.
- check the club calendar on the web site of other events not mentioned.

Club meeting - yes, a club meeting is planned for **Sunday March 28!** By the Governor’s guidelines, like them or not, we are limited to the number of people we can have at a meeting so this will be a meeting for club members only, no guests or anyone petitioning to become a member. This will be an outside event held at the 200 Yard firing line. There will be chairs set up and social distancing will apply. Because of the current guidelines, we can only have 50 people at any one outside event so this meeting will be held twice on Sunday March 28. Once from 2:00-3:00 and again from 3:30-4:00. The 30 minute laps between is to give time for the first group to leave the area before the second group arrives. We will do this alphabetically so if your last name starts with A thru K (Robert Abernethy thru Corwin Kippenhan), come to the 2:00 meeting. All others, come to the 3:30 meeting. This will be our first meeting together as a club, somewhat, in a year so please be patient. All ranges will be closed on this day. Unless restrictions loosen or are lifted, the Annual Club Meeting in April, once a date is decided, may be held in a similar fashion as this or maybe conducted as another “drive thru” event like was done last June for paying dues and voting for club officers. Right now this is what we have to work with.

Thank you all for your understanding

I hope everyone stays well. ‘See you at the range.

Brian White
Secretary CVRPC
