Thank you all for coming to the meeting. After a year away it was great to be back on our regular scheduled night and time. If things continue as they are, I see us meeting again on Thursday June 3 at 7:30.

The meeting was called to order at 7:35 by club President Michael Hollar.

The Treasurer's report was read.

Minutes from the March 28 club meetings were read.

Guests in attendance were Terry Corpening, Teddy Sweet and Allen Apperson – 4th meeting, Brain Lefone – 3rd meeting, Mark Anderson – 2nd meeting, Brandon Roseman, Bill Christenberry and Dorney LePierre – 1st meeting.

Old Business

- Executive Range Officer Craig Canella mentioned that he has not seen any more instances of bullet impacts on the ground closer than 25 yards on Pistol Bay 2. Thank you all for maintaining this safety precaution that has been established on that range and set your targets so that ground impacts are downrange of the two red stakes set at 25 yards.
- Craig Canella mentioned that he has received bids from two contractors for replacing the roof on the club house. Hickory Roofing and Priemer Roofing and Gutter turned in bids of \$20,845 and \$22,20 respectively.
- The issue concerning Articles 5 and 9 of the club bylaws was brought to attention by club Secretary Brian White. This was first addressed at the March 28 meeting as to the wording of these articles regarding how many club members are required for a club charter or bylaw amendment change. Since there were so many varying opinions about the current wording, this issue was tabled to be discussed at the May 16 Executive Committee meeting to then be presented to the club members.
- There are still several members that have not yet paid their club dues or received a new key. You can contact me (828-238-7371) or Bob Metts (828-638-2453) to find out what your dues amount is. Checks can be mailed to P.O. Box 664, Conover NC 28613. **The locks will be changed May 22.**

New Business

- Randy Randolf displayed a flag presented to CVRPC by Camp Valor Outdoors in recognition for the club's participation in recent rifle matches. Details will be worked out on how and where this flag will be displayed. Thank you, Randy for your efforts in implementing this program.
- David Palmberg addressed the club members regarding the idea of leaving money to CVRPC in your will. David has a contact he can refer you to if you consider doing this. David can be reached at 828-244-8367.
- CVRPC has yet to receive official notification form IRS regarding tax status. Bob Metts is to follow up.

- A motion was made, a second was presented and vote was passed to replace the club house roof based on bids received by Craig Canella. A question was asked about comparable warranties and Craig is going to research before a final bid is decided on. A question was brought up about replacing the ceiling tiles in the club meeting room. Craig stated that these would be replaced with tiles that he is donating, Dick Blumenstein is also donating ceiling tiles for this.
- Teddy Sweet, Allen Apperson and Terry Corpening were all voted in as new club members. Welcome aboard gentlemen!

The meeting was adjourned at 8:40.

Brian White
Secretary CVRPC
