Old Business:

- The new CVRPC website is up and running! We would like to express our thanks to Ken Vaughan for his assistance in this endeavor. We will be adding a "New Members" page, range photos, and a "Directions" page in the coming weeks.
- The concrete pad at the pistol range has been poured. Thanks to all those who assisted. The cost of this pad was approximately \$2100.

New Business:

- Duran Lail will be heading up a "Summer Skeet League" which will run from this coming Sunday June 7th through the next 8 to 10 Sundays. There will not be a shoot on July 5th. Start time is 1:00 PM on Sunday afternoons. Contact Duran Lail for further details.
- Tim Drum will be heading up Bull's-eye matches each 4th Sunday at the pistol range. Start time will be 2:00 PM with a sighting period from 1:45 PM until the 2:00 PM starting time. This will include .22 and center fire guns and the distance will be 25 yards. Contact Tim Drum for further details.
- PPC matches will be held the first Sunday of each month at 2:00 PM. See Randy Clark for details.
- IHMSA silhouette matches are held the 2nd Saturday for small-bore (.22) and the 3rd Saturday for Big Bore (center fire). See Ronny Brown or Steve Roe for details.
- The July monthly meeting will be held Thursday July 2nd at 7:30 PM.
- The concrete pad at the pistol range has been poured. We are now ready to start with the construction of the firing line covering. The estimated cost will be approximately \$2100 for the materials. Current plans are to set all support posts and begin erection on June 15th. The membership is encouraged to come out to the range the week of the 15th to help with construction of the covered firing line. We will begin work around 4:30 PM each day the week of the 15th. We need every person available to help with this project.
- An addition will be made to the CVRPC Range Rules to reflect the following: 1) No firing after dark and 2) Firing shall not commence prior to 12:00 Noon on Sundays unless granted permission by the club.
- Members are reminded to avoid driving on the new grass at the 300 yard line.
- Due to recent incidents with the tractor and grounds maintenance equipment which has resulted in repair costs to the club, members are reminded to use the tractor and other mowing/maintenance equipment with care. Please report any equipment damage or malfunction to a club official.

The meeting was adjourned at 8:07 PM.

Respectfully submitted,

Steve Roe,
Secretary
