August 5, 2010

The meeting opened at 7:30PM. The July minutes were read and approved. The July 2010 Treasurer's report was read and accepted. (Balance brought forward was \$47,094.27, deposits were \$480 and disbursements for the month totaled \$924.55. Ending balance was \$46,649.72. John Barnette was a guest, attending his first meeting this month.

Old Business:

- The old wooden club sign on county home road has been replaced, due to a neighbor's complaint.
- The trailer that we had discussed using as a bridge last month is no longer available. Ronny is looking into the possibly using a large fuel tank (with the ends cut off) as a culvert, over which a stream crossing could be more easily built.
- Members are reminded that there will be a work party next Thursday.
- The existing "camera system" has been judged not repairable. A representative of "Signal Technologies Inc." has suggested a replacement system consisting of 3 cameras; one at the main gate, one at the refreshment stand, and one at the 200 yard line. The estimate for this, including cable installation and other necessary hardware, is about \$4K. A second estimate for a similar system was obtained (without installation) for about \$2200. Ronny will look into this further and report at a future meeting.
- Ronny Brown won the Silhouette match last month. Congratulations Ronny!
- Current estimates indicate that the final land loan payment will be made in 2015, assuming interest rates stay stable and that current membership levels persist.

New Business: None

The meeting was adjourned at 8:02 PM.

Respectfully submitted,
Lonnie Hagadorn, Secretary
