

CATAWBA VALLEY RIFLE & PISTOL CLUB
P.O. BOX 664 CONOVER, NORTH CAROLINA 28613

President: Ronny Brown 828-241-4558
Vice President: Sam Birchfield 828-465-2388
Secretary: Lonnie Hagadorn 828 855-1901

Treasurer: John Grimes 828-478-2878
Exec. Range Officer: Tim Drum 828-464-2942
Range Officer: Neill Sipe 828-256-9372

February 2, 2012

The meeting opened at 7:28PM. The January 2012 minutes were read and approved. The January 2012 Treasurer’s report was read and accepted. Balance brought forward was \$5,655.75, deposits were \$505.00 and disbursements for the month totaled \$187.07. Ending balance was \$5,973.68. The treasurer advised that there were a total of 119 members, consisting of 46 Seniors and 73 regulars, leaving openings for 52 more regular members. The treasurer also provided an updated estimated expense projection for the end of the club year. Based on the current balance, we should finish the year with \$4,310.68 cash on hand. Guests this month were; John Letterman, 4th meeting, Bryan Johnson, 2nd meeting, Harold Wilson, Brandon Rogers and Doug Black, all attending their first meeting. John Letterman was voted into the club at this meeting. Welcome John!

Old Business: The earth moving work on the parking area by the 300 yard line is almost completed, after which work will begin on the parking area behind the 200m line.

New Business:

- Ronny reported that the annual meeting will be held this year on April 12th, which is the **second** Thursday in April. Once again the club voted to hold the meeting at the Catawba United Methodist Church in Catawba, NC.
- Steve Roe advised that members participating in the 22TSC matches should check the website for equipment rule changes and scoring modifications from last year. Shooters are reminded not to touch any part of the weapon, bipod or scope while people are down range setting targets.
- Ronny announced that the range will be closed for a work party on March 17th, which is the third Saturday in March. The purpose will be to walk the fence line and inspect the property perimeter for any needed maintenance. Participants should wear gloves and boots and are encouraged to bring a chain saw with fuel. There will be no shooting on the range while the work party sign is out.
- Tim Drum asked that anyone using the wobble trap should consider helping out by moving some of the clay targets into the house nearest to the wobble trap. It would also be considered approved “pest control” if any member is able to permanently eliminate the four legged critter that has been damaging targets in the skeet range houses.
- The operating condition of the skeet range microphone was discussed. Some thought that it was only intermittently operating, while others thought that you just had to speak loudly to get it to work.

The meeting was adjourned at 7:55 PM.

Respectfully submitted,
 Lonnie Hagadorn,
 Secretary
