September 6, 2012

The meeting opened at 7:30PM. The August minutes were read and approved. The August 2012 Treasurer's report was read and accepted. Balance brought forward was \$49,916.87, deposits were \$60.00 and disbursements for the month totaled \$2186.24. Ending balance was \$47,808.63. Guests this month are Jim Bentley, 4th meeting, Richard York and Tim Josey, both attending their third meetings, with Brian Franklin and Alan Yancey, both attending their first meeting. Richard and Tim were subsequently voted into the club. Welcome gentlemen!

OB: The cover over the 300 yard line is finished, but we need one more load of gravel over the muddy areas. Several tables will need to be erected to finish the work. The first "Two Gun Action Challenge" will be held on the second Saturday this month as a trial match. There have been two Rimfire Steel Challenge matches held so far this year with 11 to 12 participants per match. Ronnie reported that the roof on the clubhouse still appears to be leak free after application of the sealing paint last month.

NB: The .22TSC match has had two new stages added. Steve Roe reported that the paint being used for the .22TSC matches is purchased through the TSC Registration Fees budget, so that paint should not be removed from the storage trailer for general range use. After the work party next Thursday, there will be an executive meeting held in the clubhouse to discuss Match Director Guidelines for future club matches. All past presidents and current officers are asked to attend.

The meeting was adjourned at 7:53 PM.

Respectfully submitted,
 Lonnie Hagadorn,
 Secretary
