**July 4, 2013**

The monthly meeting of CVRP began at 7:30 with President Randy Clark presiding. The minutes were read and approved. The treasurers report was read and accepted. Balance brought forward was \$52,295.77, deposits were \$\$2,460.50 and disbursements for the month totaled \$664.63. Ending balance was \$54,091.64. Guests this month were James Norman, second meeting and Ed Rosamond, 2nd meeting (former member circa 1991.) Subsequently, Ed was voted back into membership. Welcome back Ed!

Old Business : A work party was held on June 11<sup>th</sup> but was poorly attended due to rain. The next work party is set for July 11<sup>th</sup> at 4:30PM until dark. AT this next event, the Leyland Cyprus trees near the 200m line will be trimmed.

New Business : Alan Yancy of NC Electronic Security Association met with Randy to discuss club security surveillance, but was not present to address the club. The discussion will be postponed until Alan attends his next meeting. The subject of liability insurance for members wishing to run "for-profit" training on club property was discussed and the recommendation from the ad-hoc committee was that these individuals should obtain coverage in the amount of \$1M and show the club as co-insured on the policy. It was noted that the club's insurance covers "normal events" such as matches, Bunker Hill Boys shooting practice and not-for-profit classes. A motion was approved covering this requirement with regard to for-profit classes. The trailer on the 200 meter line is now wired for lighting. Grading work around the 200m line was again discussed due to the heavy mud conditions we are seeing due to the excessive rain. Ronny Brown agreed to approach Bryan Miller about when the work can be finished. Tim Drum reported that 2 new trash cans have been purchased and distributed, but more are needed. Joe Lassiter agreed to provide several in the near future.

The meeting was adjourned at 8:13

Respectfully submitted,  
 Lonnie Hagadorn, Secretary
